Hi Jeff,

Thanks for your email. You are correct that I will be setting up a virtual inspection opening conference with the USR Stockton facility. I have talked with Steven Slater at USR Stockton and we discussed holding a virtual call on December 15th, 17th or 18th. I wanted to check with the folks here to obtain a 2 hour window of availability that we could hold this conference when folks would be able to attend.

What would work best for everyone? Can someone at the air district let me know if Friday the 18th is the district's day off?

Thanks,

Scott
